

## Guidance for correct use of terms: CEU, ASHA CEUs, CE Course

1. ASHA CEUs are awarded through the ASHA CE Registry. ASHA Approved CE Providers do NOT award ASHA CEUs. ASHA Approved CE Providers offer courses for ASHA CEUs.
2. To earn ASHA CEUs, an individual must be qualified to earn them and must have paid the annual ASHA CE Registry fee for the year in which they completed the course. Do not say or imply that ASHA CEUs are free. Courses might be free but ASHA CEUs are not free.
3. When talking about credit or continuing education units, do NOT use generic terms. Designate the type of credit for example: ASHA CEUs, IACET CEUs, LSLs CEUs, AAA CEUs, ASHA Professional Development Hours (PDHs)
4. Do NOT use the term “CEUs” or “ASHA CEUs” when you mean “course.” “CEU” means Continuing Education Unit (a form of credit).
